

# REVISION COURSE FOR Year-5

## Preparatory classes for Secondary School selection

- ❖ Specially designed program for optimum examinations preparation and confidence building.
- ❖ **WE HAVE IMPRESSIVE AND PROVEN PAST RESULTS AND CAN GUARANTEE YOU SATISFYING RESULTS...**
- ❖ **Our programs cover:**
  - Math and Verbal Reasoning for Hertfordshire County schools
  - Math, Verbal and Non- verbal reasoning for Harrow and Private schools
- ❖ Our consultants and tutors are experts in their fields and conversant with the demands of the new tests that are increasingly becoming part of the selection process.
- ❖ We take care to ensure that the practice material we use is relevant to the challenge faced by your child. The best sort of practice a child can benefit from is on material that is very similar to the questions in the real test. We take utmost care to do so.
- ❖ We believe that systematic preparation is the key and it can help ensure that your child gain the best possible score. We work through your child's abilities and not only prepare him/her for questions but also for attempting the number of questions in the given time.

There is quite a lot for your child to work on so don't loose time and register today...
